**ARTICLE 1**  
**Agreement**

- 1.1** This Agreement is made as of June 21, 2012, by and between SuperMedia Sales Inc. and SuperMedia Services Inc. together doing business as SuperMedia for its Greenbelt (Lanham/Rockville), Maryland; Chesapeake (Norfolk), Virginia; Fairfax (Chantilly), Virginia; and Richmond (Glen Allen/Roanoke), Virginia Sales Offices, hereinafter referred to as the "Company" and the Communications Workers of America, hereinafter referred to as the "Union."

**ARTICLE 2**  
**Non-Discrimination**

- 2.1** The parties affirm their intention that the provisions of this Agreement will be applied without discrimination because of race, color, age, religion, national origin, sex, sexual orientation, mental or physical handicap or veteran status of the employee, or because of activities protected under the National Labor Relations Act. Notwithstanding other provisions of this Agreement, it is not the intention of the parties to restrict employees' rights to pursue claims under discrimination statutes including sexual harassment claims.

**ARTICLE 3**  
**Federal and State Laws**

- 3.1** Should any valid Federal or State Law, or the final decision or order of any Court or national or state regulatory body of competent jurisdiction specifically affect any provisions of this Agreement, the provision or provisions so affected will be construed as having been changed to conform to the law or decision, and the other provisions of this Agreement will continue in full force.

**ARTICLE 4**  
**Union Recognition**

- 4.1** The Company recognizes the Union as the sole and exclusive bargaining agent for the purpose of collective bargaining with respect to rates of pay, wages, hours, and other conditions of employment for the positions of the Company's Greenbelt, Maryland; Chesapeake, Virginia; Fairfax, Virginia; and Norfolk, Virginia Sales Offices as confirmed by letters dated March 15, 2002, or any reasonably proximate site to which any one of these offices is relocated.

**ARTICLE 5**  
**Management Rights**

- 5.1** The Union recognizes the Company's traditional right to manage its business except as specifically limited by this Agreement. Nonetheless, if the Company plans to make any change in the way it manages its business which significantly affects a term(s) and/or condition(s) of employment which is bargainable under the NLRA, and which term(s) and/or condition(s) of employment (or changes thereto) are not otherwise dealt with in this Agreement, the Company will notify the Union in advance of making the change, and provide an opportunity for the Union to meet and negotiate over the change for thirty days prior to the Company's implementation of the change. It is not the intent of the Company to impose financial obligations on employees which will more than minimally reduce the value of their compensation packages (e.g., requiring an employee to expend personal resources on specialized training or designer blazers).

- 5.2** Nothing in this provision is intended to prevent the Company from making a change after negotiation in such situations as described above in paragraph 5.1 and the Union may not take any action forbidden by Article 6.4 or seek to grieve or arbitrate over the change. Notwithstanding the foregoing, the Union may grieve and arbitrate whether any financial obligation imposed on employees by a unilaterally imposed change more than minimally reduces the value of their compensation packages. The Union may also grieve and arbitrate the question of whether the Company provided the Union with the required notice and opportunity to bargain. If the Union arbitrates the issue of inadequate notice and/or inadequate opportunity to bargain and the grievance is sustained, the arbitrator may award a remedy which is appropriate under all the circumstances.

## **ARTICLE 6 Mutual Responsibilities**

- 6.1** The Company and the Union recognize that it is in the best interest of both parties, the employees and the public that all dealings between them continue to be characterized by mutual responsibility and respect. To ensure that this relationship continues and improves, the Company and the Union and their respective representatives at all levels will apply the terms of this Agreement fairly and in accord with its intent and meaning and consistent with the Union's status as exclusive bargaining representative of all employees covered by this Agreement.
- 6.2** Collective Bargaining shall be conducted by the duly authorized bargaining representatives of the Company and the Union.
- 6.2.1** The Company and the Union will be represented by a maximum of five (5) representatives each during bargaining sessions unless mutually agreed otherwise.
- 6.2.2** Collective bargaining shall be conducted at mutually acceptable times and locations.
- 6.2.3** It is the intention of the parties to conduct their negotiations in such a manner as to reach a new agreement on or before the expiration date of this Agreement.
- 6.3** During the term of this Agreement the Company will not conduct any lockout of the Union or any employees subject to this Agreement.
- 6.4** During the term of this Agreement, the Union, its members, agents or representatives, and the employees covered by this Agreement, shall not authorize or engage in any strike, walkout, slowdown, sit-down, or refusal to work. Without limiting any other remedy the Company might have, if any of the above, or any other real interference with work occurs, the Union will make its best effort to end such action as quickly as possible. Except as modified by this provision, it is understood that this provision does not limit the Union, its members, agents, and employees covered by this Agreement from exercising all rights granted them by the National Labor Relations Act.

Without limiting the foregoing, in the event of a dispute (including a bargaining dispute) between the Company and the Union with respect to the Maryland/Virginia Sales Offices, there shall be no actions of the type described above taken against any other CWA-represented Company business unit, provided that employees and/or managers of such other business unit are not performing struck work of the Maryland/Virginia Sales Offices.

**ARTICLE 7**  
**Definitions**

- 7.1 **Regular Employee** – shall mean an employee, who is hired for continuous employment, accumulates service and is entitled to all the benefits and coverages granted in this Agreement.
- 7.2 **Regular Full-time Employee** – shall mean an employee who is normally assigned a work schedule of forty (40) hours per week.

A temporary employee is not entitled to the benefits and coverages granted in this Agreement unless such entitlement is expressly stated as applicable to temporary employees.
- 7.6 **Occasional Employee** – shall mean an employee who is engaged on a daily basis for a period of not more than three (3) months, in any calendar year, regardless of the length of the daily or weekly assignments. Such individuals are to be treated as employees only on the specific day(s) for which work assignments are scheduled. An occasional employee is not entitled to the benefits and coverages granted in this Agreement unless such entitlement is expressly stated as applicable to occasional employees.
- 7.7 **Seniority** – Seniority for bargaining unit positions shall be based on net credited service.
- 7.8 **Net Credited Service** – shall mean “net credited service” as defined by Part 1 of the SuperMedia Pension Plan for Collectively Bargained Employees.

**ARTICLE 8**  
**Common Interest Forum**

- 8.1 The Company and the Union share a mutual commitment to the achievement of strategic and revenue growth objectives consistent with the SuperMedia Strategic Plan and the interests of the employees.

A Common Interest Forum will be established for the following purposes:

Providing a framework for early communication and discussion between the parties on business developments of mutual interest and concern to the parties and their constituencies;

Providing a forum for feedback on existing sales policy and to promote an understanding of sales policies and their application (Note: Sales Policy will be a standing agenda item for each Common Interest Forum meeting);

Discussing and reviewing innovative approaches to enhance the competitiveness of the Company and thereby improving employment opportunities;

Discussing problems and concerns associated with health and safety, the needs of work and family life, and training and educational opportunities;

Improving understanding and relationships between the parties and avoiding unnecessary disputes by cooperatively addressing significant changes and developments in the Union or Company environment.

Discussing health care cost containment initiatives (e.g. benefit enrollment roll-outs, wellness programs) that can benefit the Company and the employee by providing quality care and reasonable access while containing costs. This meeting will be held after benefit vendor selection but prior to benefit enrollment.

Equal numbers of key Management and Union persons shall constitute the forum. Meetings will be convened by the parties at mutually agreeable places and times. Otherwise, the members of the forum shall determine its composition, structure, agendas, and operation.

The forum shall meet from time to time as mutually agreed, but no less than twice a year, which meetings are planned for January and June unless otherwise agreed by the parties.

It is the intent that such forum supports, but does not replace, the collective bargaining process and the established contractual conflict resolution procedures.

**8.2** One Union representative (who is also an active employee of the Company) may be excused from work with pay, based on the needs of the business, to attend a Common Interest Forum or other such joint conferences initiated by management and mutually agreed to in advance as such.

**8.2.1** Pay treatment will be in the same manner as other absences that are excused with pay, e.g., a vacation day, for a maximum of eight (8) hours per session.

**8.2.2** If more than one Union representative is excused from work for participation, such representative shall be unpaid unless the Director-Labor Relations or the Director-Human Resources has agreed in advance.

## **ARTICLE 9 Compensation and Job Classifications**

### **Sales Compensation**

**9.1** SuperMedia's Sales Compensation Plan, which includes Base Pay Ranges, will apply to sales representatives in each job title. The Sales Compensation Plan will be implemented in conjunction with SuperMedia's sales policies as adjusted periodically. Base pay administration will be in accordance with the Company's Merit Pay Plan.

- 9.2** In connection with the Sales Compensation Plan, or any other plan implemented under 9.3 hereof, Management, in its sole judgment, will establish the objectives and commission rates for every sales representative, taking into account such factors as growth objectives, market conditions, product factors, job title and account assignment.
- 9.3** After one (1) year from implementation of the Sales Compensation Plan, SuperMedia reserves the right to change the sales compensation plan design. The Company will provide notice to the Union with respect to any significant changes and an opportunity to bargain for up to thirty (30) days prior to any significant changes taking effect. It is not the intent of the Company to diminish earnings potential with any future changes to plan design, but rather to invest sales compensation dollars wisely to ensure SuperMedia's revenue and strategic goals are met in an increasingly competitive environment.
- 9.4** If, between six and nine months after the unilateral implementation of any significant change in the plan design (that is, after a reasonable stabilizing period), the Union identifies that the change has resulted in a significant diminution of earnings potential, as defined below, then the Company shall pay a remedy as described below. There shall be no other remedy.
- 9.4.1** A significant diminution in earnings potential is defined as a seven and a half percent (7.5%) or more difference in average earnings (base pay plus incentive) for a sales job title across all CWA bargaining units of the Company's New York and Mid-Atlantic Sales Territories utilizing the Sales Compensation Plan for which the change has been made, from what would have been earned had the change not been made. To determine the percent change, average earnings for the most recent two (2) full plan quarters for the sales job title(s) and bargaining unit(s) affected by the change in plan design will be compared to average earnings which have been earned by the same population calculated utilizing the plan design prior to the change. For purposes of these calculations, only employees with six months or more in the sales job title at the beginning of the measurement period will be included. The parties acknowledge that comparisons of plans with different components may produce distortions which do not reflect changes in earnings potential. Adjustments will be made to any calculation to avoid any such distortions.
- 9.4.2** If the calculation of the difference defined in 9.4.1 shows a decrease in average earnings of more than seven and a half percent (7.5%), then the Company will pay a total remedy, based on a maximum remedy of \$1 million, to be distributed based on performance among the employees affected by the decrease and who are then on the payroll. The amount and distribution of the total remedy will be determined as follows:
1. The number of employees in the sales job title(s) and bargaining unit(s), where the change resulting in a significant decrease has been implemented, divided by the total number of sales representatives in all CWA bargaining units in the Company's New York and Mid-Atlantic Sales Territories utilizing the Sales Compensation Plan equals the percentage of affected employees. The number of employees/sales representatives will be determined as of the last day of the comparison period.
  2. The percentage of affected employees multiplied by the maximum remedy of \$1 million equals the total remedy.
  3. The total remedy will be distributed based on performance as follows:

- a. Determine overall performance based on percent to goal during the measurement period for each individual in the affected job title(s) and then multiply each individual's percent to goal by 100.
- b. Add all points.
- c. Divide the total remedy dollars by the point total.
- d. Multiply each individual's point score by the dollars per point.

**9.4.3** In the event of a significant diminishment in earnings potential as defined in 9.4.1 above, the parties will negotiate over a further change. If no agreement is reached within thirty (30) days, the Company may implement a plan design it believes will not result in a significant diminishment of earnings potential. Once the plan is implemented then all the provisions of 9.4 will apply except that:

1. If the Union alleges that the implemented plan has resulted in a substantial diminishment in earnings potential, the calculations identified in 9.4.1 will apply utilizing the most recent plan design that did not cause a payment of remedy under 9.4.2 to compare earnings against the implemented plan.
2. The new total remedy to be divided will be the total remedy as determined in 9.4.2 (2) up to \$1 million plus the total actual earnings diminishment in excess of 7.5% for each group determined to have a significant diminishment under 9.4.1.

**9.5** The Company's plan design has used the concept of Total Targeted Compensation. For the purpose of this Agreement, Total Targeted Compensation is the sum of annual base pay plus annual incentive pay for performance levels at 100 percent of the assigned objectives. Total Targeted Compensation at the midpoint of the Base Pay Range for each position is listed in the table below:

Job Titles	Total Targeted Compensation		
	Pay Area 1	Pay Area 2	Pay Area 3
Major Account Executive	\$ 113,600	\$ 120,400	\$ 123,800
Premise Account Executive	\$ 92,500	\$ 97,200	\$ 99,600
Premise Sales Representative	\$ 82,000	\$ 86,000	\$ 88,000
Telephone Sales Representative	\$ 59,800	\$ 62,900	\$ 64,500
Customer Account Agent	\$ 59,800	\$ 62,900	\$ 64,500

Total Targeted Compensation is set out here to provide employees a frame of reference, but it is not guaranteed income or expected average income.

**9.6** Changes to sales compensation plans will not be subject to bargaining, grievance and arbitration or other legal challenge, except as provided in 9.3 and 9.4 above.

Any claim of failure to comply with 9.3 and 9.4 shall be subject to arbitration at which the sole remedy, if a violation is established, shall be an order to comply with those sections.

**Wage Schedules**

**9.7** Wage Progression Schedules (Appendix A) and Wage Schedule Administration will apply to employees other than sales representatives covered by the Agreement.

## **Job Classifications**

- 9.8** The Company may establish new job title(s), and review and change existing job duties and title(s), based on the content of the job and the work being performed as deemed necessary.
- 9.9** The job title classification assigned to employees will be in accordance with the preponderance of work duties they are called upon to perform.
- 9.10** Whenever the Company determines it appropriate to create a new job title or job classification in the bargaining unit, it shall proceed as follows:
- 9.10.1** The Company shall notify the Union in writing of such job title or classification and shall furnish a job description of the duties and the career level with annual base salary range or Wage Progression Schedule determined for such job titles and classifications. Following such notice to the Union, the Company may proceed to staff such job titles or classifications.
- 9.10.2** The Union shall have the right, within thirty (30) days from the receipt of notice from the Company, to initiate negotiations concerning the career level with annual base salary range or Wage Progression Schedule established by the Company.
- 9.10.3** If negotiations are not so initiated, or if the parties are unable to reach agreement within sixty (60) days, the career level with annual base salary range or Wage Progression Schedule set by the Company shall remain in effect subject to the exceptions outlined in 9.10.4 and 9.10.5 below applicable only to positions covered by Wage Progression Schedules.
- 9.10.4** For positions covered by Wage Progression Schedules, if negotiations are initiated pursuant to paragraph (9.10.2), above, and if the parties are unable to reach agreement within sixty (60) days following receipt of notice from the Company, the Union may, within thirty (30) days of the expiration of the sixty (60) day period for negotiations, request the issue of an appropriate Wage Progression Schedule be submitted for resolution to a neutral third party. Within seven (7) days of such request, each party will submit to the other party its final proposed Wage Progression Schedule, which cannot thereafter be changed.
- 9.10.5** The neutral third party shall be selected by mutual agreement from among those who possess acknowledged expertise in the area of employee compensation. The parties may submit all evidence deemed relevant to the issue to the neutral third party. At the request of either party, a hearing shall be held to receive such evidence. Any such hearing shall be held within thirty (30) days after the matter is referred to the neutral third party. While it is not intended that such third party undertake a full and complete job evaluation study, he or she shall review other job titles or classifications and their Wage Progression Schedules for comparison purposes and may make an on-site inspection of the work place and conduct a reasonable number of interviews of incumbents. A written decision as to the appropriate Wage Progression Schedule will be rendered by the neutral third party within sixty (60) days of the date that the matter is referred for resolution. In the event that the neutral third party determines that a different Wage Progression Schedule is appropriate, the Wage Progression Schedule shall be placed in effect retroactive to the date the change or new job was implemented, except that in no event shall the retroactive effect exceed one hundred fifty (150) days. The neutral third party

shall have no authority to add to, subtract from, or modify any provisions of this Agreement.

**9.10.6** The procedures set forth in this Section shall be the exclusive means by which the Union may contest the Wage Progression Schedule which the Company sets for any new job title or classification.

**9.10.7** The cost of the neutral third party shall be borne equally between the Company and the Union.

## **ARTICLE 10 Working Practices**

### **10.1 Work Schedules and Shifts**

**10.1.1** A workday is the period of time between 12:00 midnight preceding and 12:00 midnight ending any day. Any shift is part of the workday on which such shift begins.

**10.1.2** A workweek will begin on Sunday at 12:01 A.M. and end on the following Saturday at 12:00 midnight.

**10.1.3** The normal workweek for regular full-time employees will be forty (40) hours.

### **10.2 Overtime**

**10.2.1** It is expected that all employees will be available and willing to work hours in addition to their normal work schedule to the extent deemed appropriate and approved by the Company. The Company reserves the right to schedule and assign mandatory overtime, as it deems necessary. Where possible, the Company will provide 24 hours advance notice for such assignments.

**10.2.2** Overtime will be paid in accordance with the Fair Labor Standards Act as applicable.

### **10.3 Payroll Adjustments**

**10.3.1** All overpayments or underpayments to an employee will be adjusted in the employee's next paycheck, or as soon as practical, after the matter is reconciled by the Company.

### **10.4 Promotions and Transfers**

**10.4.1** Employees may submit their requests for transfer or promotion to vacancies in accordance with the Company's defined procedures. The Company will consider relevant factors including job performance, attendance record and experience in determining employees' qualifications for promotions and transfers. Seniority will prevail when qualifications are substantially equal.

**10.4.2** For a period of six weeks following a promotion, the Company will normally grant an employee's request to retreat to his/her former job title if such position is available.

**10.4.3** The Company may transfer employees within their job titles or to another job title in the same or lower wage group. The Company will determine the number

of employees to be transferred, the qualifications required and which employees have such qualifications. In the event qualifications are substantially equal, seniority will be the determining factor in the selection of employee(s) to be transferred or downgraded based on preferences of employees.

- 10.4.4** If the employee is transferred or downgraded in accordance with 10.4.3 above, and an opening occurs in the job title and location from where the employee was transferred or downgraded within a period of one year, the Company will first offer the position to the transferred/downgraded employee. This provision does not apply to performance-related demotions.

## **10.5 Service Quality and Supervisory Observing**

- 10.5.1** It is the policy of the Company to conduct Service Quality Observations in full compliance with Federal and State laws. Service Quality Observing includes Service Observing and Supervisory Observing.

## **10.6 Death in the Immediate Family**

- 10.6.1** The Company provides three (3) paid scheduled work days off when there is a death in the employee's immediate family. This time off is provided to attend funeral services, to make funeral arrangements, to settle the estate of the deceased, or to help with family matters associated with the death. Supervisory approval is required for paid time off for death in the family.
- 10.6.2** If the death of an immediate family member occurs on a weekend, the employee is still entitled to three (3) scheduled work days off for participation in the aforementioned funeral activities.
- 10.6.3** If travel or other extenuating circumstances necessitate additional time away from work, up to two (2) additional paid scheduled work days may be granted with supervisory approval.
- 10.6.4** If more than a five-day absence is necessary, supervisors may allow time off without pay as departmental leave, or permit employees to use vacation or personal days to remain in paid status.
- 10.6.5** Immediate family is defined as:
- (a) the employee's spouse or same-sex domestic partner
  - (b) the employee's/employee's spouse's/employee's same-sex domestic partner's child, son or daughter-in-law, grandchild, or great-grandchild
  - (c) the employee's/employee's spouse's/employee's same-sex domestic partner's step child, foster child or child for whom the individual is the legal guardian
  - (d) the employee's/employee's spouse's/employee's same-sex domestic partner's parent, step-parent, grandparent, step-grandparent or great-grandparent
  - (e) the employee's brother/sister, employee's brother-in-law/sister-in-law or same-sex domestic partner's brother/sister (including half, adopted and step)
  - (f) the employee's/employee's spouse's/employee's same-sex domestic partner's aunt, uncle, niece or nephew
  - (g) any person who was a bona fide member of the employee's household at the time of death.

**10.6.6** When death in the family occurs during an employee's vacation, the balance of the vacation can be rescheduled upon the request of the employee and approval of the supervisor. Time off for death in the family need not be consecutive days, but such days must normally be taken within ten days after death. Absences occurring beyond ten (10) days after the death will only be granted in extraordinary circumstances.

## **ARTICLE 11 Benefits**

### **Uniform Benefits**

**11.1** During the term of this Agreement, SuperMedia management benefits applicable to the Company, including those listed below, will be provided to employees covered by this Agreement and their dependents, as applicable, in the same manner as they are provided to the Company's management employees as they may change from time to time. The Company agrees to notify the Union of any changes in such plans that would decrease the benefits therein, but, the selection of the insurance carriers, the rates of contribution, the establishment of all terms and conditions and the administration of the benefit plans, shall be the sole responsibility of the Company, and such matters will not be subject to bargaining, grievance and arbitration, or other legal challenge:

- 18.12** At any meeting between a representative of the Company and an employee in which discipline (including warnings which are to be recorded in the personnel file, suspension, demotion or discharge for cause) is to be announced, or at any meeting with an employee for the purpose of conducting an investigatory interview which may lead to discipline of such employee, a Union Representative may be present if the employee so requests.
- 18.13** After an employee requests Union representation at an investigatory interview, no questioning will take place until a Union Representative is present at the interview.
- 18.14** If the employee requests to speak privately with the Union Representative upon the Representative's arrival at the meeting, the employee will be permitted to do so.

### **Union Activity on Company Premise**

- 18.16** Neither the Union nor the Locals, their representatives or members, shall conduct Union business or carry on Union activities on Company premises or on Company time. However, Union and Local members who are employees (and authorized representatives of the Union who are not employees of the Company, by mutual agreement of the Company and the Union) may carry on legitimate Union activities outside of working periods in space where no Company operations or administrative work is performed provided that such Union activity shall be limited to small groups of employees and shall not interfere with the operation of the Company or the use of space by other persons or employees for the purposes for which the space is intended.

## **Wage Progression Schedule Administration**

### **Progression Increases**

All wage progressions will become effective on the first day of the appropriate payroll period. Wage progression dates will be calculated from the annual wage effective date as follows:

All employees hired on or prior to 2/9/03 will progress one step on the Wage Progression Schedule, up to the top annual wage rate, at six-month intervals from that date. All other employees will advance one step on the Wage Progression Schedule, up to the top annual wage rate, at six-month intervals from their individual date of hire or transfer into the bargaining unit.

### **General Wage Adjustments**

Employees who were in the bargaining unit on 2/9/03, who have remained in the bargaining unit, and are at or above the top annual wage rate of the Wage Progression Schedule shall be treated in accordance with the General Wage Adjustment tables on pages 25.

### **Other Considerations**

Wage Rate Progression Increases and/or General Wage Adjustments may be deferred or withheld in individual cases, if, in the judgment of the Company, the employee does not merit the increase. In such a case, an employee will be given thirty (30) days notice prior to the scheduled increase effective date. The employee will be re-evaluated no later than ninety (90) days from the date the increase was deferred or withheld to determine whether or not the employee's performance warrants reinstatement of the increase. Reinstated increases will not be retroactive. Future increase dates will not be changed but may also be subject to being deferred or withheld.

Employees who are absent from work due to illness disability or leave of absence at the time an increase is scheduled to be granted will have their increase become effective upon their return to work from such absence.

### **Start Rate for New Hires**

The Company will normally assign newly hired employees to the start rate of the applicable wage progression schedules. However, the Company may assign newly hired employees to wage steps above the start rate based on job related qualifications, experience and/or market conditions.

If the Company hires an employee who has no prior training, experience or job related qualifications at a wage rate higher than the Start Rate, it shall raise the wage rate of incumbents in the same title and the same location to that wage rate.

### **Wage Treatment for Promotions**

Employees who are promoted to a higher wage group in the bargaining unit will be placed at the next higher annual wage rate on the applicable Wage Progression Schedule.

### **Wage Treatment for Transfers**

Employees who are transferred to a job in the same wage group, in the same pay area, will continue at the same pay rate and the same interval to progression in their Wage Progression Schedule.

Employees who are transferred to a job in the same wage group but in a different pay area with a higher top rate will be moved to that Wage Progression Schedule at the same wage step. The employee will proceed at the same interval in progression in the new Wage Progression Schedule.

### **Wage Treatment for Downgrades or Transfers to a Lower Pay Area**

Employees who downgrade or transfer to a job title on a Wage Progression Schedule that has a lower top rate than the Wage Progression Schedule applicable to their job title prior to the downgrade or transfer shall move to the new Wage Progression Schedule to the rate of pay that is equal to the rate they were receiving at the time of the downgrade or transfer. If the same rate does not exist on their new Wage Progression Schedule, and the rate of pay is less than the top rate of the new Wage Progression Schedule, they shall move to the wage rate that is immediately less than their rate of pay at the time of the downgrade or transfer. If their rate prior to the transfer or downgrade exceeds the top rate of the new Wage Progression Schedule, they shall continue at their rate of pay until such time as the top rate of the new Wage Progression Schedule exceeds their rate of pay.

**MEMORANDUM OF UNDERSTANDING**

**COMMUNICATIONS WORKERS OF AMERICA**

**PERFORMANCE IMPROVEMENT PLAN for SALES REPRESENTATIVES**

SuperMedia and Communications Workers of America ("CWA") agree as follows:

1. Appended to this Memorandum is SuperMedia's current policy regarding Performance Improvement Plans ("PIP").
2. SuperMedia will not, for the term of the contract, change the PIP policy, as it relates to performance by Sales Representatives who have been in a position 18 months or longer. SuperMedia may change the PIP policy as it relates to performance by Sales Representatives who have been in a position less than 18 months after providing the CWA with notice and a reasonable opportunity to comment.
3. Employees who commence PIPs while in their probationary periods will not be allowed to challenge discharge, demotion or other discipline at arbitration or in any other legal forum. For the purpose of the PIP policy, probationary employees are those who have accumulated less than 18 months in their sales positions following the most recent hire date.
4. As to employees who have completed their probationary periods and are placed in a PIP, the application of "just cause" referenced in Article 16.1 shall only be interpreted to mean that management applied the proper process as set forth in the PIP policy. The Company retains the sole responsibility to set standards of performance unless specified in the PIP policy.
5. The parties acknowledge that there may be circumstances when the Company may determine to demote rather than to terminate employees who fail PIPs. Therefore, in any arbitration in which the Union challenges the type of discipline received by an employee for not meeting performance standards, the Union shall not make any "disparate treatment" claim based on SuperMedia's treatment of other employees.

This Memorandum of Understanding is effective the Sunday following notice of ratification and shall expire on October 10, 2015. The parties specifically agree that the terms and conditions set forth in this Memorandum of Understanding shall not survive the expiration of this Memorandum of Understanding unless agreed to by the parties in writing.

## PERFORMANCE IMPROVEMENT PLAN for SALES REPRESENTATIVES

It is a goal of SuperMedia to have the premier sales organization in the industry. To support this goal, SuperMedia is committed to implementing a continuous sales performance development system, the purpose of which is to improve the skill sets of individual job performers and enable them to support the company's growth strategy. This system will consist of Performance Reviews, Coaching, Observation, and Feedback mechanisms as is appropriate for each situation. While the Company is committed to providing these developmental programs, the ultimate responsibility rests with the Sales Representatives to use them for their own growth and development.

However, individual situations will occur when a sales representative's performance consistently falls below minimum performance standard. In these situations, a structured developmental plan will be implemented. The plan, referred to as a Performance Improvement Plan (PIP), establishes a standard process for performance improvement, which involves providing employees with:

- Review of existing performance standard
- Additional coaching
- Verbal and written reviews
- Opportunities for improvement

The prescribed manner by which a Sales Representative is evaluated prior to placement on a PIP, during a PIP and the subsequent successful or unsuccessful completion of a PIP will vary depending on the Sales Representative's job title, location and time in position, as noted below. A Sales Representative's time in position category, at commencement of a PIP, will determine the treatment throughout the PIP and associated relapse period even though the Sales Representative may transition into a longer time in position category during the PIP.

### TELEPHONE SALES REPRESENTATIVE (TSR) AND PREMISE SALES REPRESENTATIVE (PSR)

Every month, coaching, observation and a review of sales results will be conducted. TSRs and PSRs will be ranked by job title and office location based on cumulative quota attainment. Sales results from the prior twelve (12) months will be used to refresh the sales representative rankings each month. All non-training sales results will be used for sales representatives who have less than twelve (12) months of non-training results. Non-training sales results are all sales results generated after initial sales training and the on-boarding program are completed. On-boarding quotas and results are considered training performance and will be excluded for the purpose of ranking.

Minimum Performance Standard:

1. Ranking in the fourth (4th) quintile or higher of peer group, or
  2. Achieving at least 100% cumulative quota attainment over the prior twelve (12) months.
- Less than eighteen (18) months of cumulative assignment in a sales position\*\*:  
If the TSR or PSR fails to meet at least one (1) component of the minimum performance standard, the TSR or PSR will be placed on a PIP for two (2) months. While on the PIP the TSR or PSR will receive additional observation, coaching and reviews of performance. The TSR or PSR must meet at least one (1) component of the minimum performance standard to successfully complete the PIP.

- If neither component of the minimum performance standard is met on the ending date of the PIP, the TSR or PSR will receive a one (1) month final warning. If neither component of the minimum performance standard is met at the end of the final warning, the TSR or PSR may be terminated\*.

\* Note: A TSR or PSR who does not successfully complete a PIP, and is therefore subject to termination, will be considered for demotion to their prior sales position, if they performed successfully in their prior position and an opening exists in that location.

\*\* From the employee's most recent hire date.

- Equal to or more than eighteen (18) months-but less than twenty-four (24) months of cumulative assignment in a sales position\*\*:

If the TSR or PSR fails to meet at least one (1) component of the minimum performance standard for two (2) consecutive months of non-training performance, the TSR or PSR will be placed on a PIP for three (3) months. While on the PIP the TSR or PSR will receive additional observation, coaching and reviews of performance. The TSR or PSR must meet at least one (1) component of the minimum performance standard to successfully complete the PIP.

- If neither component of the minimum performance standard is met on the ending date of the PIP, the TSR or PSR will receive a final warning. If neither component of the minimum performance standard is met in any one of the four (4) months following the date of the final warning, the TSR or PSR may be terminated\*.
- If the TSR or PSR successfully completes the PIP, the TSR or PSR is required to meet at least one (1) component of the minimum performance standard in each month for the four (4) months following the ending date of the PIP. If neither component of the minimum performance standard is met in any one of the four (4) months following the ending date of the PIP, the TSR or PSR will receive a final warning. If neither component of the minimum performance standard is met in any one of the four (4) months following the date of the final warning, the TSR or PSR may be terminated\*.

\* Note: A TSR or PSR who does not successfully complete a PIP, and is therefore subject to termination, will be considered for demotion to their prior sales position, if they performed successfully in their prior position and an opening exists in that location.

\*\* From the employee's most recent hire date.

- Equal to or more than twenty-four (24) months of cumulative assignment in a sales position\*\*:

If the TSR or PSR fails to meet at least one (1) component of the minimum performance standard for two (2) consecutive months of non-training performance, the TSR or PSR will be placed on a PIP for five (5) months. While on the PIP the TSR or PSR will receive additional observation, coaching and reviews of performance. The TSR or PSR must meet at least one (1) component of the minimum performance standard to successfully complete the PIP.

- If neither component of the minimum performance standard is met on the ending date of the PIP, the TSR or PSR will receive a final warning. If neither component of the minimum performance standard is met in any one of the four (4) months following the date of the final warning, the TSR or PSR may be terminated\*.

- If the TSR or PSR successfully completes the PIP, the TSR or PSR is required to meet at least one (1) component of the minimum performance standard in each month for the four (4) months following the ending date of the PIP. If neither component of the minimum performance standard is met in any one of the four (4) months following the ending date of the PIP, the TSR or PSR will receive a final warning. If neither component of the minimum performance standard is met in any one of the four (4) months following the date of the final warning, the TSR or PSR may be terminated\*.

\* Note: A TSR or PSR who does not successfully complete a PIP, and is therefore subject to termination, will be considered for demotion to their prior sales position, if they performed successfully in their prior position and an opening exists in that location.

\*\* From the employee's most recent hire date.

## **PREMISE ACCOUNT EXECUTIVE (PAE) AND MAJOR ACCOUNT EXECUTIVE (MAE)**

Premise Account Executives and Major Account Executives handle the Company's most critical accounts. Performance evaluation of PAEs and MAEs must therefore be based on a variety of measurements including Sales Results, Sales Call Process, Administration, Customer Service, and Territory Control. Through observation, coaching and reviews of performance, all of these components will be taken into consideration when assessing overall performance. It is the responsibility of management to identify performance deficiencies through a minimum of two (2) skills-assessment observation sessions and provide a minimum of two (2) skills-improvement coaching sessions over a minimum one (1) month to a maximum three (3) month time period. Performance observation tools provided by Sales Force Development will be used to guide observations, structure feedback, and track performance.

Minimum Performance Standard:

  2. Achieving at least 100% cumulative quota attainment over the prior twelve (12) months.
- Less than eighteen (18) months of cumulative assignment in a sales position\*\*:  
If the PAE or MAE fails to meet at least one (1) component of the minimum performance standard for two (2) consecutive months, the PAE or MAE will be placed on a PIP for three (3) months. While on the PIP the PAE or MAE will receive additional observation, coaching and reviews of performance. The PAE or MAE must meet at least one (1) component of the minimum performance standard to successfully complete a PIP.
    - If neither component of the minimum performance standard is met on the ending date of the PIP, the PAE or MAE will be demoted to a lower level sales position for which the PAE or MAE is qualified.

\*\* From the employee's most recent hire date

- Equal to or more than eighteen (18) months but less than twenty-four (24) months of cumulative assignment in a sales position\*\*:

- Equal to or more than twenty-four (24) months of cumulative assignment in a sales position\*\*:  
If the PAE or MAE fails to meet at least one (1) component of the minimum performance standard for two (2) consecutive months, the PAE or MAE will be placed on a PIP for six (6) months. While on the PIP the PAE or MAE will receive additional observation, coaching and reviews of performance. The PAE or MAE must meet at least one (1) component of the minimum performance standard to successfully complete a PIP.

It is the responsibility of management to identify performance deficiencies through a minimum of two (2) skills-assessment observation sessions and provide a minimum of two (2) skills-improvement coaching sessions over a minimum one (1) month to a maximum three (3) month time period. Re: SuperMedia Employee Assistance Program (EAP)

Dear Mr. Holland:

This letter confirms our mutual commitment to provide employees with ongoing information concerning work-life balance and other forms of employee assistance.

The Company and the CWA share a mutual concern for the health and well being of employees. We recognize that personal situations may occur that negatively impact employees and their families. These situations may include financial, medical, or family related issues, such as drug and alcohol abuse, which often require professional assistance. SuperMedia offers its employees a wealth of resources designed to assist them in obtaining counseling, treatment, and recovery services, to name a few, through the SuperMedia employee assistance program.

The Employee Assistance Program offers employees, their spouses or domestic partners, and their dependents a series of resources to help manage everything from staying healthy, adopting a child to dealing with substance abuse issues. Employees can reach a counselor at 866-821-4327, 24 hours/ 7 days a week, who will provide the caller with up to 5 counseling sessions via telephone, and provide resources and assistance with any subsequent treatment or programs the employee may want to pursue. EAP provides employees with a confidential means to discuss very difficult, and sometimes embarrassing, issues with compassion and professionalism.

We believe it is important that our employees are aware of these services and commit to include in our New Employee Orientation and in subsequent periodic communications, the resources available to them and their families.

Sincerely,

  
David A. Burstin  
Company Chairperson

## TOTAL TARGETED COMPENSATION REVIEW

The parties agree to apply the following Total Targeted Compensation Review process under any sales compensation plan in effect during the 2012-2015 Collective Bargaining Agreement:

### Definitions

Terms used in this document are defined in this section.

Adjustment Group: The "Adjustment Group" is the group of individual Company employees who are:

- o Eligible Sales Representatives (defined below)
- o Or Transferred Representatives (defined below)
- o And/or Eligible Sales Representatives—FMLA (defined below)

Individuals of the Adjustment Group must be active employees at the time of adjustment distribution.

Calculated Earnings: "Calculated Earnings" of an employee is his/her base pay at midpoint of the applicable Base Pay Range plus his/her actual incentive earnings for the measurement period.

Division: "Division" is the grouping of sales representatives at General Sales Manager Unit level.

Eligible Sales Representatives: "Eligible Sales Representatives" are those sales representatives in the Division who have:

- o 30 months or more in a Company sales position and 12 consecutive months or more in their then current position (job title and sales division) at the end of the Measurement Period and
- o On-budget days during the Measurement Period of 75% of the available on-budget days to be included in the computation.

Eligible Sales Representatives—FMLA: "Eligible Sales Representatives—FMLA" are sales representatives who would have met the criteria for Eligible Sales Representatives except for approved FMLA absence and therefore will be eligible for their prorated portion of the adjustment.

Measurement Period: The "Measurement Period" will be 26 consecutive two-week sales reporting pay periods beginning pay period 7 of each year. A Measurement Period is comprised of a standard 260 on-budget days.

On-Budget: "On-Budget" refers to selling days, i.e., days that carry a sales objective (quota). Holidays, vacations, leave of absence, training, and/or any form of "lost" time are not considered on-budget days.

Prorate Factor: The "Prorate Factor" is calculated by dividing the individual "on-budget" days (including days lost for approved FMLA) by 260 days.

Total Targeted Compensation: “Total Targeted Compensation” is set out in Article 9.5 of the Collective Bargaining Agreement.

Transferred Representatives: “Transferred Representatives” are sales representatives who were in a sales position at the beginning of the Measurement Period, who transfer to another job title within the Company during the Measurement Period, and otherwise who would have met the criteria for Eligible Sales Representatives and therefore will be eligible for their prorated portion of the adjustment.

### **Total Targeted Compensation Application**

The Company will manage sales compensation in such a manner to ensure that at least 50% of Eligible Sales Representatives will achieve Total Targeted Compensation, subject to the following conditions:

- o Sales compensation will be evaluated at a Division level and will be applicable to all sales job titles.
- o The sum of the New Issue (NI) revenue of the group of Eligible Sales Representatives for the Measurement Period must at least equal the sum of the Present Issue (PI) revenue of that group of Eligible Sales Representatives for accounts credited during the Measurement Period. If the Company discovers material irregularities in reported PI and associated NI during the closing period that results in qualification or disqualification for an Adjustment Computation, the Company has the right to adjust the reported PI and associated NI from those transactions. PI and associated NI on accounts that are Out-of-Business (OB), National Yellow Page Service (NYPS) transfers, or Bankruptcy (BK) credited during the Measurement Period will not be included in the Total Targeted Compensation Application calculation.
- o Within any Measurement Period, if the Company exercises its authority to change sales policies and/or organize the sales force for the specific purpose of depriving Eligible Sales Representatives of an adjustment to which they would otherwise be entitled under the Total Targeted Compensation Review Process by causing NI to be less than PI, the effect of that change or those changes on whether the PI/NI requirement set forth in the above paragraph has been fulfilled shall be ignored.

### **Compensation Evaluation**

Sales compensation evaluation will be computed at the Division level using Calculated Earnings of Eligible Sales Representatives for the Measurement Period, as follows:

- o Determine the percentage of Eligible Sales Representatives whose Calculated Earnings are greater than or equal to Total Targeted Compensation.
- o If less than 50% of Eligible Sales Representatives achieve Total Targeted Compensation based on Calculated Earnings, then the Company will provide an adjustment as calculated below.

### **Adjustment Computation**

If applicable, the adjustment will be derived at the Division level from Eligible Sales Representatives.

- o Computation: Subtract the sum of the Calculated Earnings of the Eligible Sales Representatives from the sum of the earnings that those Eligible Sales Representatives would have achieved at Total Targeted Compensation. Multiply this difference times 55% to determine the amount of the adjustment to be distributed.
